Public Service Announcement: City of Fort Wayne Utility Construction Project, Spring 2018

March 22, 2018

The City of Fort Wayne will begin a multi-week excavation project to improve city utilities in the downtown area. The project will require excavation of street intersection of Superior Street and Harrison Streets and will make vehicle traffic coming from Lafayette Street (US HWY 27) and Clinton Street impassable.

The project is scheduled to begin in mid-April 2018 and will likely continue through mid-summer.

In order to reach the Allen County Community Corrections facility by vehicle, travelers will need to approach using the intersection of Wells Street, Ewing Street, Fairfield Boulevard, and Superior Street.

Please note that the parking spaces next to the ACCC facility remain for Allen County Employees only. Please visit the Downtown Improvement District website for parking details and availability: <http://downtownfortwayne.com/parking/>

TRAVEL INSTRUCTIONS TO ALLEN COUNTY COMMUNITY CORRECTIONS

- * Superior Street / Harrison Street Intersection closed mid-April 2018 through mid-summer.
- * If you are in a vehicle, please approach ACCC from the West (Fairfield Blvd/ Wells St / Ewing St Intersection)
- * If you are on foot, you are able to approach from the West on Superior Street, or from South from Harrison Street
- * Please give yourself extra time for travel to ACCC
- * Downtown Parking Link / Info: <http://downtownfortwayne.com/parking/>
